

TAM'S WOOD

ARCHERS

We are a private archery club of three people leasing Tam's Wood (top of photo, right), as a field archery course, on the edge of Lamberton Moor in the Scottish Borders from the Ayton Castle Estate.

We have insurance that covers us for supervising experienced archers (and archery clubs) in the Wood and also for 'Have-a-go' and target archery at the Wood and elsewhere. We have recently set up a small practise archery area at the Marshall Meadows Hotel, just south of the Scottish border off the A1.

We are happy to hear from fellow archers and absolute beginners (adults only for the present time). Have-a-go sessions are particularly popular with Teambuilding and Company course organisers – they are stimulating, interesting and fun!

We can also advise on accommodation, meals, bars and other local facilities in the area.

To arrange for a Have-a-go session (we supply the equipment) for a minimum of five people (from £50), or a chance to use the field archery course at Tam's Wood, contact (be a bit patient, we all work!): Alan Dearling: adearling@aol.com (018907 51222)

Garry Bolton: garrystation@hotmail.com (07765 843800)

Willie Thompson: wthompson@thompsonw1.freereserve.co.uk (07854 516 033)

Please note that no-one is allowed to use Tam's Wood without supervision.
